Reseller Demonstration Kits

Each Mitel reseller is entitled to purchase discounted versions of the software for internal use and demonstration purposes. The Reseller Demonstration Kits come in two versions:

51303114	In-House Demonstration Kit
51303115	Field Demonstration Kit

The in-house demonstration kit is designed to be run internally and used for day to day operations and for demonstration purposes. Only one in-house demonstration kit can be purchased by each reseller. The field demonstration kit is designed to be run on the laptops of sales engineers and up to 10 of these licenses can be purchased by a reseller.
